YAMALUBE®

PERFORMANCE IN A BOTTLE

YAMALUBE - THE NEXT GENERATION

There's no single oil perfect for every application, but there is only one brand - Yamalube. Yamalube is simply the finest oil available for your Yamaha. And there's a precision formula for each Yamaha engine and its application.

Unlike anything currently available, our engineers have developed a line of exceptional oil products made from the finest ingredients. They extensively tested each formulation, both in the lab and in the field. Each blend is precisely formulated to enhance the performance of Yamaha engines, and offer unmatched protection against wear and tear.

The result is the only line of oil that live up to Yamaha's stringent standards for quality and performance, Yamalube. After all, no one knows your Yamaha like Yamaha.

Long live your ride!

MOTORCYCLE / ATV / SSV	FULL SYNTHETIC FOUR-STROKE	Blended from fully synthetic base oils and fortified with synthetic esters to provide the absolute highest performance and protection you can buy for your Yamaha. Recommended for motorcycles, ATVs and side-by-side vehicles.	SAE 15W-50	
		JASO certified. Performance guaranteed by Yamaha Motor Corporation. Meets API SL requirements.		
UTILITY ATV	PERFORMANCE FOUR-STROKE	Blended specifically for utility ATVs with additives and base oils designed to give year-round performance, from cool to warm climates. Designed with hardworking detergents to keep the engine cleaner longer.	SAE 5W-30	
		Meets API SJ requirements		
ATV / SSV	SEMI-SYNTHETIC FOUR-STROKE	Contains a special blend of synthetic and mineral base stocks to lubricate and protect utility ATVs and side-by-side vehicles even under the added stress of low speed hauling and climbing.	SAE 5W-40	
		Meets API SL requirements.		
MOTORSPORT	PERFORMANCE FOUR-STROKE	Blended with premium quality mineral base stocks for use in motorcycles, scooters, ATVs and side-by-sides vehicles.	SAE 10W-40 / SAE 20W-50	
		JASO certified. Performance guaranteed by Yamaha Motor Corporation. Meets API SL requirements.		
SPORT	SEMI-SYNTHETIC FOUR-STROKE	Specially blended mineral and synthetic base stocks recommended for sport applications. Multi-grading provides the benefits of a light oil and the protection of a heavier viscosity.	SAE 10W-50	
		JASO certified. Performance guaranteed by Yamaha Motor Corporation. Meets API SL requirements.		
SNOWMOBILE / ATV	SEMI-SYNTHETIC FOUR-STROKE	Designed with synthetic and mineral base stocks to provide the best cold weather performance possible for Yamaha snowmobiles and ATVs. Performance rated to - 40o C.	SAE 0W-30	
		Meets API SL requirements.		

Note: Yamalube is available in 1-litre and 4-litre bottles.

9. GYTR Billet Clutch Cover

Components are precision machined from aerospace-quality aluminum alloys with a unique hard coating. Provides superior performance and clutch feel, as well as excellent component durability. The patent-pending "auto oiling system" forces oil through specially cut holes in the pressure plate, into the inner hub, and then to the clutch plates. This results in improved clutch performance, with lower clutch temperatures, less clutch expansion and extended clutch life.

Fits '04 ~ '08 YFZ450

GYT-5XD35-10-AL \$165.95
